

Summer Research Fellowship Application

Please complete this application and upload all required materials before **5:00 PM CST, February 19, 2027** to be considered for the SRF Summer 2027 cohort. Consult the URAF SRF website for more information and guidance in completing materials.

* Required

* This form will record your name, please fill your name.

Information

1. Name (Last name, first name) *

2. Tulane email address *

3. Anticipated graduation date *

☐ December 2027

☐ May 2028

☐ December 2028

☐ May 2029

☐ December 2029

☐ May 2030

4. Degree(s) you plan to complete *

5. Name, email address, and department of proposed faculty mentor. (Individual who has agreed to supervise your summer research project and signed off on your research proposal.) *

6. Name, email address, and department of recommender. (Individual who will submit a letter speaking to your ability to carry out your proposed research, your potential to thrive as a fellow, and the relevance of the program to your future goals. This recommender may be the same as above, but does not need to be.) *

Short Essays

7. How do you see your studies, research, and future career contributing to improving the lives of others? What is the issue in your discipline or in society that most inspires this commitment? *

Please enter at most 2500 characters

8. Describe a time when an unexpected result, mistake, or misunderstanding led you to ask new questions or explore a new direction. What did you do next, and what did you discover through that process? *

Please enter at most 1500 characters

9. Describe a time you collaborated with people who had different backgrounds, perspectives, or areas of expertise than your own. What did you contribute and how did the experience shape your thinking or learning? *

Please enter at most 1500 characters

10. Given your understanding of the program and goals of the Summer Research Fellowship, is there anything else you would like us to know about you? *

Please enter at most 1500 characters

Upload Materials

11. Upload a descriptive resume listing employment, service, research, and other experiences relevant to this opportunity. Include concise descriptions describing the relation to your future goals and your potential to thrive in the Summer Research Fellowship. Do not exceed 2 pages; keep standard 1" margins, and use 11 or 12 pt. type. *

 Upload file

File number limit: 1 Single file size limit: 10MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

12. Upload a PDF of your unofficial Tulane transcripts. *

 Upload file

File number limit: 1 Single file size limit: 10MB Allowed file types: Word, Excel, PPT, PDF, Image, Video, Audio

13. Research proposals must include a space that says "Approved for submission by" and be signed by the faculty listed in #5 above confirming they have reviewed and approve the proposed project. *

☐ The proposal I am submitting has been signed by my faculty mentor in a space labeled "approved for submission by."

14. My research proposal describes: *

☐ My proposed contribution to a faculty member's on-going research

☐ An independent project designed under the guidance of the faculty who will supervise my summer research

15. Upload a 2-page, single-spaced research proposal, using 12 pt. text and with 1" margins. (Please follow the guidelines on the SRF webpage. You might also want to consult the ranking rubric.) *
